

For your safety

Dear guest

We comply with the rules of the BAG and implement the protection concept of GastroSuisse. Our employees, who are in direct contact with you, work voluntarily with face masks.

Breakfast

Due to these guidelines we have a limited number of seats in the restaurants.

Therefore, there may be waiting times for breakfast. We kindly ask you to keep your distance when queuing.

The breakfast times are from 7:00 - 10:30 o'clock, the main rush hour is currently between 8:45 - 09:30 o'clock. We kindly ask you to take advantage of off-peak hours.

Dinner

Restaurant reservations are only guaranteed with daily reservations. There are a limited number of seats in the restaurants, so your desired time is not always available. We thank you for your understanding.

Contact Tracing

We are obliged to register every guest in our restaurants. As a hotel guest you can identify yourself in both hotels with the room card cover and do not need to provide any further information.

Ovaverva

We offer you free admission to Ovaverva. Admission is restricted and there may be waiting times. Ovaverva AG is responsible for the organisation.

Parking spaces

Our large parking lot is located behind the house. The parking spaces are subject to availability and cannot be reserved. Due to the current situation most guests arrive by car. Bottlenecks may occur. We ask for your understanding.

Keep distance

Please think about keeping the distances independently. Please keep a distance of 1.5 meters to your nearest and our employees.
